greatful Carmen also when
out of her way and brought
us a set of sofas that
I am so greatful for, and
always will be because Carmen
jenarousity through the foundation
made my children so happy.
My life before coming was
just so out of balance I
was so sad not working not
being able to go to school
to better my chances of
becoming independent my husband
was abusive in everyway
imaginable I was very
dipresed and thought of never
having the chance to get out.
Thanks to Zilda and section
8 I now have so much peace
in my life I am working
as a cashier at the 99¢
cent store only I am also
attending GED classes over
at the Goodwill. I am exited
to what life has for me and
my children. I want to be,

independent strong and
always have the peace and
patients I need for my
children and good things to
come. Thank you Zild and
Carmen for making such
a great impact in my
life now I know I'll be OK
and "I am so glad there's
still good people in this
world that is so hard but
so rewarding every day brings
us a new opportunity to
accomplish something great.
I am thankful so thankful
for everything in my life.
I hope I one day could
give a bigger and greater
update. Thank you so
much from the bottom of
my heart for everyone who
has cared. Sincerely

Maria Salome Carrasco
